WHAT OUR PARENTS, STUDENTS AND STAFF THINK ABOUT OUR CAMPUS

In October 2018, a survey was conducted by YouthTruth Survey. 387 students, staff members and parents responded. The data below highlights our accomplishments, showcases how we are viewed, and areas where we can grow.

WHERE WE CAN GROW

- 88% of students agree that what they learn in class will help them outside of school.
- 76% of staff feel professional development over the past year has provided them with strategies needed to meet student needs.
- 76% of families agree that parents are included in planning school activities.

HYDE ELEMENTARY CELEBRATIONS

- 99% of students agree that teachers want them to do their best.
- 98% of staff members agree that the school empowers them to use creativity in their work.
- 96% of families feel comfortable approaching teachers about their children's progress.

According to one 5th grader, "The best part about Hyde Elementary is the teachers because they are SUPER nice and help you learn and understand a lot. They also care about you very much! Also they love you no matter what!"

"The teachers that both my children have had at this school have been amazing! They consistently go above and beyond to make sure that my child is reaching his potential. That is amazing. We are very thankful for them."

OUR FOCUS

Increase job embedded professional learning time for teachers.

Engage students in goal setting for academics and core values.

Increase opportunities for parent engagement.
