

Character Corner

March 23-27

Our word of the week is acceptance and hope. Albert Einstein once stated, "There are two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle!" When you look around, what do you see that is a miracle? This is an important topic to talk about during these challenging times.

Please find some resources for you to enjoy time with your amazing family!

1. Have a family conversation about hope, kindness and attitude. What does it look like to have a positive attitude at home, school, in our neighborhood? What does it mean that we decide how we will react to other people and situations even when the situation is difficult?
2. As a family, create letters and pictures to send to a nursing home. Give a message of hope and kindness that you can pass on! Send these letters to:

3. Create a bingo kindness board and fill in the board with ways to show kindness and build hope in others. Examples might be put the dishes away without being asked, give a compliment, write a letter to someone to show appreciation. When everyone in the family completes their board with a blackout, have a special family event to celebrate
