

## HYDE MUSIC PLANS WEEK OF MARCH 23 – 27, 2020

I really miss my Hyde family! I hope you are healthy and doing well. Hopefully you have had time to explore some of the activities I sent home through Skyward and posted in Its Learning last Sunday. My goal is for your child to have creative and fun music activities. Here are activities to enjoy this week:

1. Go to <https://musicplayonline.com>. Login with username **snow** and password **2020**. Look on the left side, scroll down and click on the blue box called **ONLINE LEARNING**. **Click on your child's grade level and the lesson plan will open.** These activities are great to do, and there are a lot of video examples to help your child achieve success.

2. Do activities on the Music Bingo sheet on the second page of this attachment. Please go into your settings and put on You Tube safety mode.

- A Bingo is 5 down, 5 across, or 5 diagonally. The free space can help you get a Bingo. Black outs (the whole board) is welcome as well.
- Be sure to ask for parent permission on activities involving the computer, internet, or household items.
- A tablet app may be used for an instrument choice or for playing music notes. Many piano or xylophone apps are available free of charge.
- Please share pics or videos of you and/or your family doing these music activities to [klpeters@ccisd.net](mailto:klpeters@ccisd.net). You can also tag us on Facebook at I W & Eleanor Hyde Elementary PTA.
- Good Luck on Music Bingo! May the Force be with you!

Please email me at [klpeters@ccisd.net](mailto:klpeters@ccisd.net) with any questions you have about any of these activities and resources. I would also love to receive photos or videos of your kids doing these activities! Stay safe!
