

Calling all dads, uncles, grandfathers, and father figures! We will start having Watch Dogs in October and will kick off the program with Dogs with Dads on **Monday September 30 from 6pm-8pm!** There will be a short PTA general meeting at 6pm followed by hot dogs for dinner for Dads/father figures and their kids!

If you don't know what the Watch Dog program is, go to

to read about it.

Here's what you need to do if you want to sign up to be a Watch Dog at Hyde...

1 - Fill out the CCISD volunteer application at:

<https://apps.ccisd.net/Volunteer.../VolunteerRegistration.aspx>

You cannot move further until you get confirmation from CCISD that you are cleared. This is for the safety of our students. The confirmation will come from alert@hallpassid.com.

2 - Once you get confirmation that you are cleared in email (takes 3-4 days), send a screenshot of the confirmation email to one of our Watch Dog co-chairs, Vijay Rajaji, at 832-768-2181.

Vijay will follow up with you and give you instructions of how to pick a day that works for you. The commitment is an entire school day from 7:45am-3:30pm. You will see your own child at least once that day but also be in other classes because we want kids to see how great it is to have father figures all around Hyde.

Pass this along to any father figures in your child's life so we can have at least 1 Watch Dog for every day we have available!
